Bhubaneswar – PIN 751 015
District - - - Dist-Khordha, Odisha
- (b) Area of operation /jurisdiction ALL OVER ODISHA
(Throughout the State of Odisha)

3. AIMS AND OBJECTIVES OF THE ORGANISATION:

The association is a NON-POLITICAL, NON-PROFIT, CHARITABLE SOCIETY having the objective of creating a better environment in the field of health care delivery in Odisha by developing a harmonious relationship among the stakeholders in its ambit of operation; by promoting participatory, administrative and legal clarity among them.

- i) To propagate the ideology of the *Odisha Clinical Establishment Act* and *Rules* among the members in order to create a milieu of optimum healthcare distribution in its jurisdiction.
- ii) To look to the health needs of the State and to work accordingly to relieve the healthcare load on the State Government by keeping relationship with the Department of Health and being aware of the health statistics and the health budget and capability of the Government of State and Centre.
- iii) To make the private health care institutions as suitable health care delivery modules as per the health need of the community with broad outlines of medical ethics and the social needs.

- iv) To conduct time to time awareness activities among the members of the Forum on different aspects of the *Odisha Clinical Establishment Act* and the *Rules*, amended from time to time.
- v) To coordinate and cooperate with the Government as a Stake Holder in making rules under the *Odisha Clinical Establishment (Regulation) Act* convenient for all the member organisations, so as to ensure good health care delivery in a convenient manner.
- vi) To suggest steps to different clinical establishments with the aim to maintain highest standards of ethics and professionalism.
- vii) To bring out a *News Bulletin* on its behalf at regular intervals and to sponsor publication of useful health education material for people.
- viii) To alleviate the problems encountered on medico-legal issues in the Clinical Establishment.
- ix) To undertake any other activity in the interest of the Society and the member organisations.
- x) To project various requirements of different establishments before the appropriate authorities and organisations for betterment of the clinical establishments and people at large, e.g. to secure priority in allocation of telephone, electricity, ambulance car, medical equipment, oxygen, spirit, anaesthetic drugs, life saving drugs and devices.
- xi) To conduct free health camps from time to time at different places within its jurisdiction for health awareness generation and treatment of diseases.
- xii) To come forward for free health care delivery during disaster that devastates health of people and health care institutions of the locality.

- xiii) To look to the operation on practical points, rather than any unreachable guideline that is often forced into the *Clinical Establishment Rules* without any justification, not consistent with very ideology of *Clinical Establishment Regulation*.
- xiv) To take an active role in its jurisdiction in the matter of Health Education of public in order to create awareness, interest and involvement in prevention of diseases and promotion of good health.
- xv) To create awareness among the members and the public about public health issues on Malaria, TB, HIV/Aids, Hepatitis B, Dengue with first aid methods, immunization, and other preventive and promotive measures for leading disease free life.
